Todd Dodson owner of Canalside Barbershop stated to the board that his intention is to use the same sign that was there before and just to change the lettering the colors will remain the same.
He feels that because of the location signage on the building will be a huge benefit for his business.

At this time he is not looking to illuminate the sign.

Mr. Dodson was instructed to see the Code Enforcement Officer regarding having a sandwich sign.

At this time the following resolution was offered:
